Terms and conditions

1. By buying books from Industria you accept these terms and conditions.

2. The present terms and conditions supersede all previous documents containing such terms and conditions.

3. Books can only be sold to students of the Eindhoven University of Technology.

4. The stated prices are recommended prices. It could be possible that prices change due to fluctuating exchange rates. Possible changes will be mentioned before you buy the books.

5. Industria cannot guarantee that listed books can be purchased.

6. Industria cannot guarantee that sold out books will be delivered later on.

7. The information provided in this book list is provided by Industria as a convenience to its customers. *Industria does not warrant the accuracy, or completeness of the information contained in this book list.* So, Industria cannot guarantee that listed books are compulsory course material. Industria will never take back sold books.

8. Arrangements with respect to bad copies of books can be made until one week after purchasing.

9. If major changes take place (e.g. other or more books), then this will be announced on the website of Industria.

10. Your data will be held and/or transferred in strict accordance with the applicable data protection laws.

11. In the event of any dispute regarding the above terms and conditions and all other matters relating to purchasing books from Industria, the decision of the board shall be final.
